

LISA Academy - North
PTA MEETING MINUTES
March 14, 2013

In attendance:

Rose Kubas

Christine Archer

Probably need to extend Marco's Pizza fundraiser. It is not selling well. Need to give people more opportunity to purchase and advertise it again.

Over-the-summer collections of box tops, labels for ed., and coke caps was discussed. We want families to know that we are continually accepting these items. Could possibly hold another, or have an annual, drive.

For Teacher Appreciation Week, two people have responded to the e-mail asking for volunteers, Heidi and Brooklyn. Christine also volunteered. She suggested a salad bar potluck as the lunch for the teachers.

Rose suggested we abort the Fun Run / Walk for April. There is not enough time and too much to organize at this late date. We should probably focus on a 5K run for February.
